Teachers' meeting : **Report.**

I-Technological notes.

Portugal :

- Casa Fonte Portela/Vinho Regional (regional wine produced at the school).
- Mixed cheese (dairy cow/sheep milk).
- Chorizo.
- Aguardente (distilled alcohol).

Norway :

- Renewable energy.
- Wood processing.
- Heating.

Czech Republic :

- Milk production/milk products (yogurt)
- Cottage cheese.
- Cottage cake.
- Bread.

France :

- Bazadaise beef meat.
- Young calf fed with milk.
- Red Label poultry : capon.
- Corn : grain, silage (animal feed) sweet corn, corn flour (human consumption).

Contents of the technological notes :

Name of the product / presentation / geographical location / history / uses and social practices / know-how (photos) / ingredients / processing / conservation process / packaging / animal welfare / marketing / a recipe.

We all agreed on the contents of the technological notes but we didn't agree on the presentation (layout).

II-Videoconferences and website.

We shared our skype and email addresses so that we could communicate more easily next time.

Portugal :

erasmusportugal@epafbl.edu.pt

profraquelsequeira@epafbl.edu.pt (Raquel's professional address)

Norway :

svein.gasvatn@stfk.no

elisabet.selas@stfk.no

Czech Republic :

tomkova@szas-la.cz (professional address)

mtomkova@email.cz (personal address)

podhorna@szas-la.cz (professional address)

iva.home@fiscali.cz (personal address)

France :

legtpabazas

Website.

Raquel didn't have any information on this website and no one else knew about it. I think there has been some kind of misunderstanding about this website.

Anyway Raquel put articles and photos on her school website and I did too (www.bazas.educagri.fr).

III-Next meetings.

Next **students' meeting** should take place in **Portugal** from **June 1 to June 6 2015** (to be confirmed).

Next **teachers' meeting** should take place in **Norway** but no date has been agreed on yet.

IV-Placements.

A portugese girl should come to Bazas on a placement on the school farm next spring.

A french boy should go to the Czech Republic on a placement on the school farm next spring too. Other placements could take place too in the future.
